FOUR MORE DAYS AND PONY CONTEST ENDS LAW IS ATTACKED

Votes Are Coming In by the Thousands, and Race Grows More Exciting Every Minute. Closing Days Will Be Lively Ones.

With the close of the pony contestants, who have been working hard for the past six weeks, are all excitement. Every one is wondering what the others are doing, how many votes will be polled these last few days and who the prize winners will in the contestants of the past six weeks, are all excitement. Every one is wondering what the others are doing, how many votes will be polled these last few days and who the prize winners will in the contestants realized early in the game that there was just one way to secure a winning vote, and that was going after subscriptions early and the contestant realized early in the game that there was just one way to secure a winning vote, and that was going after subscriptions early and the recommendation of the contestants.

More votes have been polled since the last time the standings were

late. Not many persons in all the territory in which The Times-Dispatch circulates have been overlooked by the wideawake contestants, and many of them had a hard time getting away without giving their subscriptions. Those who were overlooked in the start of the contest and others who L ve promises of support later are being visited these last few days. What will this last week bring 10.7th? That is the question that every contestant in the list would be glad to know. No one knows. That is a

Saunders's Coming Retirement Surprise at Capitol-Yarrell's Expenses.

Ingenious attorneys for buyers of Virginia county bonds have succeeded bring in finding what they call another flaw in the State law governing the issu-ance of interest-bearing bonds for the

contestants themselves.

There is one thing certain—the vote is going just as high as those working are capable of boosting it. The prizes offered are worth working for, and the contestants are not going to let such an opportunity pass without exerting themselves to the best of their ability.

A DANIETTIC COLLIDATOR CALLED A NATION AND The words of the surprise with subject when the contest of the subject that the payment shall be made in this payment and the repeated that all words repeated that all words

shall be made in this manner, and goes further in stipulation that there must be a majority in the entire county if any district desires to issue bonds, and also in each district which has the proposition under consideration.

Bonds have been sold in this way to a total running up into the millions, and it is regarded as remarkable that the Tazewell securities should be objected to for such a reason. There could be no question in this case of evasion by any district, since all three voted, all three are to be beneficiaries on roads decided upon before the vote was taken, and all three are bonded up to the limit of 10 per cent, of assessed values.
